# Editorial

---

It's great news that we have won the Village of the Year competition. Details of the competition from Josephine are on page 5 and also on the website.

I'm afraid that this month I have drawn a blank on what to write about. There is so much going on in the world that I have to restrain myself from commenting else I land myself in trouble!! Instead I thought we could share some one liner jokes that might make you giggle at least...get ready...

If you choke a Smurf, what colour does it turn?

If you take a Oriental person and spin him around several times, does he become disoriented?

Is it OK to use the AM radio after noon?

What do chickens think we taste like?

What do people in China call their good plates?

What hair colour do they put on the driver's license of a bald man?

When dog food is new and improved tasting, who tests it?

When they first invented the clock, how did they know what time it was to set it to?

Which is the other side of the street?

Why didn't Noah swat those two mosquitoes?

Why do they sterilize the needle for lethal injections?

Why doesn't glue stick to the inside of the bottle?

## Tattingstone Allotments

For the last few months the Tattingstone Allotments have been under review by the Parish Council.

We hope that by the end of the year we will have an agreement in place with the current allotment holders and the parish council, this we hope will see stricter management with official tenancy agreement in place, more allotments plots available and a ban on subletting.

If you wish to join the waiting list for an allotment plot, please contact the parish clerk Janet Ward on 01473 328663.

## Update on an Affordable Housing Scheme for Local People in Tattingstone

The Steering Group set up by the Parish Council and other stakeholders, continues to try and identify and secure a site for a development of affordable housing for the village of Tattingstone. The Local Housing Need Survey undertaken in September 2008 established there was a need from local people for affordable housing in the village and that a scheme of 6-8 homes would be appropriate to meet the current and medium term affordable housing needs of the local community.

The process of identifying a site has been ongoing since that time, but as yet has not been successful in securing any land. We would therefore like to encourage any landowners in the village to make contact with us if they have land which they believe may be suitable. We would be happy to discuss the site with our Development Control Team to establish whether they would support the development of the site for affordable housing.

As explained before once we have secured a site, draft plans will be drawn up for the proposed scheme. This will involve the Housing Association's Architect entering into pre-application discussions with the Council's Development Control Team. We will then arrange a Public Information Day so that the site and the proposed scheme can be exhibited and discussed with the local community.

A planning application would then be made and funding would need be secured. One advantage that Tattingstone has, is that Babergh District Council has agreed to use the proceeds from the sale of 30 and 31 Church Road to help to fund the provision of affordable housing in the village.

If anyone would like further information please contact me on the details below. We will ensure that we keep people informed of further progress through the Parish Council, and through this newsletter. *Tracey Brinkley, Housing Enabling Officer, Babergh District Council*  
01473 825741, Email: [tracey.brinkley@babergh.gov.uk](mailto:tracey.brinkley@babergh.gov.uk)

## Brantham Garage Sale 2011

We would like to thank everyone for their help, support and contributions towards the Charity Garage Sale held on Saturday 18 June 2011. Despite the gloomy weather hundreds flocked to the village and many people gave their time and energy to make this event a great success.

The amount raised so far at this year 's sale is £3,600 which will be divided equally between St Elizabeth Hospice (The Carla Dawson Tribute Fund) and CLICSargent Children's Cancer Charity ([www.clicksargent.org.uk](http://www.clicksargent.org.uk)).

Clearing up after the event was made easier by Roy Bennett who collected some of the remaining items to give to ARC and the St Helena Hospice shop.

Cash4Schools ([www.cash4schools.org.uk](http://www.cash4schools.org.uk)) collected 75 bags of leftover clothes, shoes, bedding, curtains, boxes of DVDs, cd's and books and contributed £173.55 towards the fundraising total.

Many thanks for your help and kind regards

*Yvonne Amoss (01206 392296) and Ronnie Dawson (01206 395557)*

# School News

It was St Valentine's Day, 1929, all over again! Body profiles littering the playground. A gruesome sight. Every single child in the school laid low, only to have to submit to the rigours of the dreaded tape measure. What were they up to now?! They were supposed to be doing mathematics. It was Maths Week at the school. What more innocent occupation could there be? Then a gang of them desecrating the churchyard, staring at grave stones that hadn't been stared at for centuries, while others were in the church itself counting the flagstones. Were they planning to nick the lead from the roof?

Why weren't they doing their maths? Then another lot seem to be preparing to leap from a tree with a parachute. What ever happened to health and safety? Suppose Ofsted happened by on one of their surprise visits? Are other schools part of this? Had some strange virus leapt upon them? Or had end-of-term-itis visited the school with a vengeance to clear their minds of all that they had learned this year?

But then all was revealed. It was *al fresco* mathematics. Not sitting-on-the-floor maths, or elbows-on-keyboard maths. It was a new kind of maths, cooked up by the school, while all the other schools in the pyramid kept their heads down and stuck to boring old arithmetic. It was fun maths. It was what mathematics ought to be. Out there, where the raw material of life was being generated. Anybody can learn how to use a calculator, but what should we be calculating? The chalk silhouettes were being measured, head to toe, and elbow to elbow. Out in the churchyard they were counting the numbers of letters in the names of those residents who still had names. What was the modal number of name letters? Six. That's important; much more so than the fact that long forgotten Mr Waller died during the plague. You can *do* something with a six; you can find out whether it divides into 99. And inside the church there are dimensions in all directions, and shapes of all descriptions; shapes that have no names. OK, let's name them. Somebody found five shapes called George. But back on the field they weren't actually jumping out of trees. They were using the 'chute to play number games.

The day before they had had mathematical sports; eleven teams and eleven colours. Big and small, brothers and sisters together, with the big kids helping the small ones, accompanied by lots of noise. Beanbags, Dice, Accumulated Long Jump, Sphere and Spoon race, Pythagoras' Puzzle and Crazy Capacity. With points for the teams in every event.

The day after was yum, yum time - mathematical cooking; shortbread, scones, fruit cocktail, kebabs, rice crispy fridge cake, fruit smoothies and fruit jellies – all needing weighing and timing and all at the right temperatures.

And on the last day the children took their weaponry to Southwold to give the crabs their annual 'ere we go again, chuck-'em-back bonanza. Crabs have four pairs of legs, so they counted them and divided by eight. Sandcastles in the afternoon, all measured, followed by paddling and ice lollies.

Everything that could be was measured or counted. The whole enterprise was proclaimed a great success, and somehow everyone made it back to school by going-home time. *Norman Sanders*

# Babergh Village of the Year...

How wonderful! Tattingstone has been judged Babergh Village of the Year 2011!!! This year the competition was open to villages with up to 500 local electors. The District Council sent out entry forms to every eligible parish (this did not mean it had to be a chocolate box image). The award is about the people who live, work and play together in our communities, about those who are motivated to provide the best for all the residents. Consideration for what social events and services are provided by our village groups and the role our Parish Council take in all this. The overall appearance of the village was considered as was caring for the national environment – how wildlife, flora and fauna are protected for everyone to enjoy and how public areas are enhanced and managed. Tattingstone has won £500 towards a community project, a brass plaque and a certificate. We now go forward to the County round that will be judged on 28<sup>th</sup> July and if we win that, on to the final on 3<sup>rd</sup> September.

Presentation of our win will take place in the Autumn.

Suggestions for a community project can be sent to Josephine Stanger at The Junipers, The Heath or by email [jj.stanger@btinternet.com](mailto:jj.stanger@btinternet.com). Please help our village stay the best!!  
*Josephine Stanger*

## Press release by Babergh District Council...

“Tattingstone was the Babergh district round winner and will receive the Cosford Trophy – a brass plaque, a framed certificate and £500 towards a community project, while Coddendam, the mid Suffolk winner will receive a cheque for £200, the Mid Suffolk Village sign (to be held for two years) and a bronze plaque.

These two villages will now be entered into the Suffolk County semi-final round at the end of July, together with winning villages from other districts. The top three villages will go on to the final round stage on 3<sup>rd</sup> September with the overall winner receiving £1,000, a plaque, £50 in garden vouchers and a firkin of beer from Adnams.”

*See our village website for full press release or visit Babergh District Council web page.*

20. Cry for help from peninsula society (1,1,1)

## BRAINTEASER

There are four bungalows in our cul-de-sac. They are made from these materials: straw, wood, brick and glass.

Mrs Scott's bungalow is somewhere to the left of the wooden one and the third one along is brick. Mrs Umbrella owns a straw bungalow and Mr Tinsley does not live at either end, but lives somewhere to the right of the glass bungalow. Mr Wilshaw lives in the fourth bungalow, whilst the first bungalow is not made from straw.

Who lives where, and what is their bungalow made from?

# Parish Council News

---

The July meeting was attended by five members of the public. PCSO Joanne Adams attended the meeting in place of PC Gary Austin. She reported on two thefts from motor vehicles in the village during June. Problems have started again with the youngsters diving off Lemons Hill bridge into the reservoir. She urged people to ring the police on Ipswich 613500 to report any incidents of anti-social behaviour in that vicinity. Cllr. Stanger said Tatingstone had won Babergh District Council village of the year and would receive £500.00 to be put to a community project. The village now goes on to compete against three other district council village winners.

Cllr. Hurley said that plans are in hand for a litter pick on Saturday 16<sup>th</sup> July. The meeting point is the White Horse at 10.30a.m. Cllr. Mendel reported that most of the people on the waiting list for allotments have been allocated plots. District Councillor Trot Ward said it is hoped that the Buzabout transport on the Shotley Peninsular will continue on a reduced service. Cllr. Plumbly said that plans are well in hand for the village fete on Saturday 3<sup>rd</sup> September. Next meeting Monday 1<sup>st</sup> August 7.30p.m.

*Janet Ward, Parish Clerk*

---

## Cllr David Wood

Firstly many Congratulations for Tatingstone winning Babergh District Council's Village of the Year Competition (they only confirmed what we already knew) and good luck in the next round.

News on the Chelmondiston HWRC. The SCC run site will close on the 31<sup>st</sup> July but it will re-open as the Peninsula Community Recycling Centre on Thursday 4<sup>th</sup> August. Opening hours will be 9am – 4.30pm Thursdays, Fridays Saturdays and Mondays and 10am – 4pm Sundays. This is being run in partnership with Parish Councils and a Local business. There will however be a gate charge which will start at £3 per car.

We are also investigating a Community Composting Scheme of which more news later but if anyone would like to volunteer to help run such a scheme please contact me.

Buzabout, from August Buzabout services will fall in line with Local Bus times meaning it will only be available between 7am – 7pm Monday – Saturday, however after some lengthy negotiations we have been able to keep evening services running on Friday and Saturday evenings. I am still trying to get it to run on Sundays but no luck as yet.

As most will have read in the News SCC Chief Executive Andrea Hill has left SCC by mutual consent and the County will now be seeking to recruit a new CEO on a much reduced salary!

As a result of the local poll Babergh DC will not be merging with Mid Suffolk DC over 60% in Babergh voted No for the merger with the voters in Tatingstone reflecting the Districts wish. We will continue to share management and merge some services to help save money but will continue to operate as Babergh DC.

*David Wood (District & County Councillor)*

---

## Tatingstone Village Fete

Coming up to this year's fete we thought we would give an update as to where the funds raised on the day were distributed. Besides all the local groups that provided a stall or entertainment at the fete, last year's Fete had a total income of just over £3000 of which £1900 was spent on providing the entertainment, prizes, teas, marquees etc.

Of the balance, we donated £200 to the East Anglian Air Ambulance Appeal with the rest going into the funds to provide extra equipment for the Children's Area in the Playing Field which will also be enclosed. A total of £4000 has been pledged for this stage of the development.

It is very pleasing to note that the winner of the balloon competition donated his £50 prize to the Poppy Appeal, while Dave Clarke very generously donated his fee for singing to St Mary's Church towards their redecoration funds. *Albert Collins*

### APPEAL...

This year we are hoping to make the raffle bigger and better. Any donations to the raffle are greatly appreciated (especially lemon curd! He he). All donations to Albert. Also, if you can help out on the day then please let us know as the more people we have to help out the better. Sesa will be around again this year to gather the troops!!!

## SUMMER HOLIDAY ACTIVITIES

**Babergh D.C. Play Workers**

**Monday 15<sup>th</sup> August 10am – 1pm – Village Playing field**

We are holding a children's activity day on the playing field for anyone aged 5+ living in Tattingsstone. There will be a variety of activities such as arts and crafts, football and other team games. All the activities are **free of charge** and we also encourage parents and carers to join us. We hope to see as many of you on the village playingfield for lots of fun and activities.

## PENNINSULAR PIX

**Thursday 1<sup>st</sup> Sept 8pm**  
**"Never let me go" (12A)**

This haunting adaptation of Kazuo Ishiguro's best-selling novel stars Keira Knightley, Andrew Garfield and Carey Mulligan as children Ruth,

Tommy and Kathy, who are brought up at a seemingly idyllic English boarding school. Director Mark Romanek skilfully explores their growing relationships as they turn into young adults, scarred by the knowledge of what life holds for them.

*Tickets are £4.00 on the door, or £3.50 in advance from the Rookery Farm Shop, the White Horse, Stutton Community Shop, Lloyd (326882) or Rosie (328315)*

**Thursday 6<sup>th</sup> October 8pm**  
**"Oranges and Sunshine" (15)**

Highly regarded English actress Emily Watson takes the role of social worker Margaret Humphreys, who discovered one of the worst child abuse scandals in recent times; the enforced emigration of 130,000 children promised oranges and sunshine. With little regard for herself, against overwhelming odds and almost single-handedly, she reunited thousands of families and brought worldwide attention to the extraordinary behaviour of the British government - thousands of children in care had been told their parents were dead and sent abroad to commonwealth countries, mainly Australia, where many were subjected to appalling abuse, hard labour and life in institutions.

## Services in August

7 <sup>th</sup> August	Morning Prayer	10 am.
14 <sup>th</sup> August	Evensong	6 pm.
21 <sup>st</sup> August	Evening Prayer	6 pm.
28 <sup>th</sup> August	Family Praise	10 am

During August our services do not follow the usual pattern. As many clergy are away during this time it is very difficult to cover all Eucharist services across the benefice so it has been agreed there will be just one Communion service each week in the benefice starting with the Benefice Communion in Tattingsstone on 31<sup>st</sup> July. Unfortunately, it means St. Mary's doesn't have another Communion service until 4<sup>th</sup> September however I'm sure you will welcome back Angela Neale who is taking Morning Prayer on 7<sup>th</sup> August and Christine Ward, a Lay Reader from Chelmondiston, who has been invited to take Evening Prayer on 21<sup>st</sup> August.

'Open Churches Week' will be from 6<sup>th</sup> to 13<sup>th</sup> August and it is just that, a week where churches that are normally locked open their doors to visitors. We are very lucky in Tattingsstone that our church is normally open during daylight hours and we sincerely thank Jim Pearce and Gill Sargeant who faithfully open and close the church each day. We hope and trust that locals keep a watchful eye over our beautiful church as they go about their business in the village as we wish to be able to keep St. Mary's open to those who want to visit at any time.

The 30<sup>th</sup> Suffolk Historic Churches Trust Sponsored Cycle Ride happens on 10<sup>th</sup> September and now is the time to obtain sponsor forms from either Linda Smalley or myself and to be planning your route. The cycle ride is a major source of funding for SHCT and St. Mary's benefited greatly from a large donation from them towards the recently completed work. Cyclists visit as many churches as they can and sponsor money is divided equally between your chosen church (hopefully St. Mary's) and the SHCT. You don't have to cycle, you can walk and even people sitting in church checking in cyclists can sign up their own sponsors. Whichever way you'd like to do it just let us know!!

With all good wishes and blessings to those travelling on holiday, may you have a restful time whilst recharging batteries and may the sun shine for you!  
*Lyn Tomlinson Churchwarden 01473 328251*

### ON THE VEGGI PLOT FOR AUGUST...

Pot up strawberry runners by cutting from the parent plant. Lift remainder of onions to dry and store. Prune harvested fruit bushes. Remove lower trusses from tomato plants. Place support stakes next to Brussels sprouts. Take cuttings from herbs: bay, hyssop, rosemary and sage. Sow outdoors cabbage (spring), carrot, Chinese leaf, kohlrabi, lettuce, peas, turnip, winter radish, winter spinach. Store picked broccoli in a jug of water in the fridge; it lasts longer. Cauliflowers can store for longer if hung upside down on a short stem, in a cool place and sprayed with a mist of water every few days. Chop spring onion stems and add to ice cube trays to use in recipes when needed.

### SEASONAL VEG TO EAT THIS MONTH...

## 4<sup>th</sup> July goes off with a bang!

We had the best response this year for the softball game and some-day soon people will figure out how to play it without Sesa yelling at them!! (Those who were there will understand!!). There were at least 40 softball players both young and old throughout the day that swung and hit with enthusiasm from the start. There were 9 teams for the Quiz and the winners won a bag of American food items. Yippee! Thanks again to all those who came for all or part of the day. We hope you enjoyed yourselves as much as we did. See you again next year...

Sesa & Airavata

## Tattingstone & Wherstead W.I

Unfortunately the W.I report for July was unavailable at the time of going to print.

*"Say what you will about the Ten Commandments, you must always come back to the pleasant fact that there are only ten of them." ~H.L. Mencken*
